Visakhapatnam Port Trust is one of the most sensitive port of our country owing to its National importance and strategic location, therefore ensuring proper security of this port is of utmost importance.

It is observed that many outsiders are roaming in the port premises without a valid pass/permission which is not appropriate from security point of view. Hence, to restrict the movement of miscreants/outsideers in and around the Port premises CISF is conducting random checking of passes/IDs with an objective to avoid any untoward incidents occurrence.

Hence, in view of the above, all the trade members and their associates are requested to obtain/carry their valid passes/IDs issued by their respective Authorities and should display the same to the CISF /Private Security /Security Pool Khallasi as and when asked to establish their identity and their purpose in and around the port area.

Assuring you of our best co-operation at all times.

Yours faithfully,

M. Srinivas
