Sub:- Providing Tarpaulins to cover the Coal Stacks – Reg.

Your reference is invited to various discussions held on the subject of improvement Environmental Protection Measures at VPT. In this connection, one of the decision taken is to cover Coal stacks with Good Tarpaulins to reduce emission of dust and to improve Air Quality.

In order to compensate the financial burden in this regard, VPT proposes to TAMP to levy a Cess of Rs.5/- per tone and levy the same in anticipation of approval and authorize the BOT Operators to charge a Cess of Rs 5/- per tone in anticipation of TAMP's approval for the same. The cess will be levied on all import/export of coal w.e.f. 25.9.2015. The BOT/PPP Operators are hereby requested to take immediate necessary action to ensure coverage of Coal Stacks with Tarpaulins are done latest by 25.9.2015.
