All Port Users

TRADE CIRCULAR: 510

**Sub: - Pollution control measures - Covering of Tarpaulin on cargo stacks / trucks carrying bulk cargoes - Restriction of 5 Mtrs. Height of bulk Cargoes stacked in the open Yards and sprinkling of water on the roads -Reg.**

**Ref:- This Office Circulars dated 19.03.2010, 14.06.2011, 07.05.2013, 25.07.2013, 20.11.2013, 02.05.2014, 26.05.2014, 11.07.2014 & 05.09.2014.**

\*\*\*

Please refer to the circulars cited. It is once again to inform that all trade /bulk cargo handling plot holders to strictly follow the below mentioned pollution control measures.

- ❖ To cover bulk cargoes including steam coal with good tarpaulins.
- ❖ To sprinkle water during the course of loading and unloading of cargo at stacks.
- ❖ To take measures to cover loaded dumpers during transport of bulk cargo from vessel to stack and vice-versa.
- ❖ Stacking heights shall be maintained within the prescribed limits i.e. not more than 5 meters from the ground level.

The above pollution control measures should strictly be followed by all dry bulk cargo handling plot holders and any deviation/non-compliance will be viewed seriously and steps will also be initiated to cancel their plot without any further notice.
