Visakhapatnam Port Trust is one of the most sensitive ports of our country especially of its National importance and location and to ensure proper security of this port is of utmost importance.

It is observed that number of vehicles as well as drivers entering into the protected areas of the port premises without valid pass/permission which is not appropriate from security point of view. Most of them are not displaying their passes while entry/exit into the protected area which is causing inconvenience to security personnel.

Hence, in view of the above, all are requested to obtain valid passes for your vehicles and for drivers also in the interest of Port security.

Assuring you of our best co-operation at all times.

Yours faithfully,

TRAFFIC MANAGER
