ALL RAIL USERS

TRADE CIRCULAR

Sub: Registration of e-Demand / indent on MCHV instead of VZP for loading of rakes at EQ1 Terminal – Reg.

Ref: Railway Commercial Circular No.20(G)/2023 Dt.23.01.2023.

It is to inform that Indian Railways declared EQ1 terminal of Visakhapatnam Port Authority(VPA) as a “**Mechanized Cargo Handling Terminal**” with Alpha code – **MCHV** and Numerical code – **12337743** and served by Visakhapatnam Port (VZP) over Waltair Division, as an independent terminal w.e.f., 23.01.2023 and up to 22.07.2023, open for handling of outward coal traffic.

It is to mention that the terminal Alphabet code MCHV is incorporated in FOIS for registration of e-Demand/indent by the Customers in the FOIS web portal for supply of rakes, release of rakes and generation of eT-RRs for the rakes loaded at MCHV (EQ1) Terminal. The chargeable distance for the traffic booked from/to MCHV terminal will be reckoned on through distance basis as Visakhapatnam Port (VZP)+0Km (VZP plus Zero Kilometers)..

Henceforth, it is requested to note that e-Demand / indent shall be registered on MCHV instead of VZP in FOIS webportal for supply of rakes to MCHV (EQ1) Terminal so as to regularize the commercial transactions since the EQ1 Terminal is notified as an independent terminal open for handling of outward traffic.

Hence, in view of the above all concerned are requested to note and act accordingly.

TRAFFIC MANAGER

- C/- PS to Chairman for kind information of Chairman please.
- C/- PA to Dy.Chairman for kind information of Dy. Chairman please.
- C/- PA to TM for kind information of TM please.
