4. This office circular No. 1583, No.ITRA/REV/FENV/7806, dt.10-04-2023.

Please refer to the circulars cited above.

It was noticed during inspections that the stacks at the license plots allotted to the stakeholders for storage/stacking of EXIM cargo are not identifiable with regard to the particulars of licensee, cargo owner name, area allotted etc. .

In terms of APPCB directions, in this regard it was informed vide circulars 1st, 2nd, 3rd and 4th cited above, to put up display boards with name of licensee and location, cargo type, Importer/Exporter name etc. for clear identification. However, the same is not being complied for reasons not known.

As such, it is once again requested to arrange for erection of display boards containing all the above said details at all the plots allotted at the earliest, failing which appropriate action will be initiated on the defaulting firms.

Similar action may be taken by all BOT/PPP operators(s) and O&M contractors in this regards.
