In a bid to address the escalating threat of cybercrime, a State-of-the-Art cybersecurity laboratory, generously funded by VPA under CSR initiatives, was unveiled 08-05-2024. The inauguration ceremony, graced by VPA Chairperson Dr. M. Angamuthu, IAS, and Commissioner of Police, Dr. A. Ravi Shankar, IPS, among other esteemed officers, marked a significant milestone in Andhra Pradesh's security infrastructure. The newly established Cyber Lab stands as a pioneering initiative in the state, poised to bolster the efforts of law enforcement agencies in combating digital threats. Praised for their commendable support to the Police Department through corporate social responsibility, the VPA management received accolades for their noble contribution. This initiative underscores the collaborative approach essential for safeguarding communities against the evolving landscape of cyber risks.
